Dear Santa Claus

It was a very difficult year.
The word has changed. The upcoming Christmas will also be different than always. The gift I am asking you for is very big, because I am asking for all people in the world.
So I am asking for:
- health for the sick,
- help for those in need,
- consolation for the sad and for peace where there is war.

Dear Santa, I wish you and all of us joyful Christmas, full of love and hope

Best regards,
Maja z Va
